ITEC2017

Pre-Conference Welcome Reception and Vehicle Display Event

Hosted at Illinois Tech on June 21st, 2017

We are excited to announce that Toyota Motor North America will be presenting their Toyota Mirai Fuel Cell Electric Vehicle on Wednesday evening, June 21st, 2017. Illinois Tech will be hosting this ITEC '17 Welcome Reception. This event is open to all registered attendees of ITEC '17 and the invited speakers. For those interested in attending only the event, on-site registration will be available.

The Toyota Mirai is a hydrogen powered fuel cell electric vehicle which is one of the first such vehicles on the market. The vehicle display event will include presentations from Toyota engineers on the technical details, performance, and design information of the vehicle.
