CALL FOR PAPERS

Paper and presentation proposals are being invited in the following or related technical track topic areas:

- Power Electronics and Electric Motor Drives
- Electric Machines and Actuators
- Thermal Management, Packing, and Optimization for Traction Drive Systems
- Battery, Battery Management, Charging Systems and Infrastructures
- Electric, Hybrid Electric, and Plug-in Hybrid Electric Vehicle System Architectures
- Connected and Automated Vehicles, Smart Mobility, and Vehicle Security
- Smart Grid, Electrical Infrastructure, and V2G
- Electrification of Heavy-Duty and Off-Road Vehicles
- Electrical Systems and Components for Sea, Undersea, Air, and Space Vehicles
- Modeling, Simulation, and Control
- Codes, Standards, Policies, and Regulations for Transportation Electrification

Paper Submission Guidelines

Prospective authors are invited to submit their paper proposals through the conference webpage (<http://itec-conf.com/>). Each paper proposal must include:

- Technical track name, paper title, name(s) of author(s), affiliation(s), mailing address(es), and e-mail address(es). If there are multiple authors, please identify the corresponding author.
- An abstract of maximum 100 words and a digest of maximum 5 pages (single-column, double spaced, including figures and tables).

Special Presentation (SP) Only Sessions

Authors who would like to present their work, but do not wish to contribute a full paper can submit a 1-page digest for “Special Presentation (SP) only Sessions.” A regular paper is not needed. If accepted, speakers could make a presentation at the conference. Such presentations and 1-page digests will not be published in IEEE Xplore.
