

ITEC+EATS²⁰²⁶

CALL FOR PAPERS

2026 IEEE TRANSPORTATION ELECTRIFICATION CONFERENCE AND ELECTRIC AIRCRAFT TECHNOLOGIES SYMPOSIUM (ITEC+EATS)

SPONSORS

Since 2012, ITEC has served as IEEE's premier conference on transportation electrification, fostering connections between industry and academia. In 2026, ITEC will again be joining forces with IEEE Electric Aircraft Technologies Symposium (EATS) and for the first time ever will be co-locating with CoilTech 2026! ITEC+2026 will be held at the Suburban Collection Showplace in Novi, Michigan on June 10-12, 2026. With the theme "Driving Progress in the Electrified Transportation Revolution," ITEC's mission is to unite research, industry, and policy to rapidly translate breakthroughs into scalable, safe, reliable, and sustainable electrified mobility across all modes.

TECHNICAL TRACKS:

1. Power Electronics and Motor Drives
2. Electric Machines and Actuators
3. Battery, Fuel Cell, Hydrogen, and Other Energy Storage
4. Superconducting and Cryogenic Systems and Components
5. System Dynamics, Modeling, and Control
6. Mission Operation: Energy, Cost, Emissions, and Thermal Management
7. Connected and Autonomous Vehicles, Smart Mobility, and Vehicle Functional Security
8. Powertrain Architectures: Design, Integration, Packaging, and Optimization
9. Electrification of Heavy Duty and Off-Road Vehicles
10. Electrification of Air, Space, Sea, and Undersea Transportation
11. Electrification of Railway Transportation
12. Rapid Prototyping, Real-Time Simulation, HIL and SIL, Verification, Validation, and Testing
13. Smart and Micro Grids, EV-Interacting Grids
14. Battery Chargers: Onboard, Wireless, Fast, and Ultra-Fast
15. Safety, Diagnostics, Reliability, EMI, Codes, Certification, Standards, and Regulations
16. AVTC: EcoCAR and Battery Workforce Challenge

SUBMISSION DEADLINES:

Digest Deadline:

November 21, 2025

Acceptance Notification:

February 28, 2026

Final Paper Deadline:

April 1, 2026

Author Registration

Deadline:

April 1, 2026
