

Best Paper Prize

Presented to

Srikanthan Sridharan and Philip T. Krein

for the paper presented at ITEC 2015 entitled

Optimizing Variable DC Link	. Voltage for an	Induction Motor	Drive under	r Dynamic Con	ıditions

Anand Sathyan, Berker Bilgin

General Chair, 2015 ITEC Program Chair, 2015 ITEC

Best Paper Prize

Presented to

Di Han and Bulent Sarlioglu

for the paper presented at ITEC 2015 entitled

Study of the Switching Performance and EMI Signature of SiC MOSFETs under the Influence of Parasitic Inductance in an Automotive DC-DC Converter

Anand Sathyan Berker Bilgin

General Chair, 2015 ITEC

Program Chair, 2015 ITEC

Best Paper Prize

Presented to

S.-H. Lee, B.-S. Lee, J.-H. Lee, C.-B. Park, S.-G. Lee, S.-M. Jung, K.-P. Yi, J. Baek, and J.-H. Kim

for the presentation presented at ITEC 2015 entitled

A New Design Methodology for a 300kW, Low Flux Density, Large Air-Gap, On-Line Wireless Power Transfer System

> Anand Sathyan General Chair, 2015 ITEC

Berker Bilgin Program Chair, 2015 ITEC

Industry Leadership Prize

Presented to

Dr. Anand Sankaran

Chief Engineer & Executive Technical Leader, Ford Motor Company
for industry leadership and exceptional contributions in the area of transportation electrification

Anand Sathyan, Berker Bilgin
General Chair, 2015 ITEC Program Chair, 2015 ITEC

Industry Leadership Prize

Presented to

Dr. Kamiar Karimi

Senior Technical Fellow, Boeing

for industry leadership and exceptional contributions in the area of transportation electrification

Anand Sathyan, Berker Bilgin
General Chair, 2015 ITEC Program Chair, 2015 ITEC
